Says Eighth is with Wilson

A dispatch from Washington in this week said, John B. Thompson, of Harrodsburg, who arrived here today, said that the people of the Eighth Kentucky district are "with the President on the repeal of canal tolls, and everything else." It is from this district that telegrams have been pouring into the White House endorsing the Administration on repeal. "I have been in close touch with the sentiment of the district," said Col. Thompson, "and it is overwhelmingly against the ship subsidy provided in tolls exemption."

HEED THE WARNING

Many Stanford People Have Done So.

When the kidneys are weak they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Weak kidneys usually expel a dark, ill-smelling urine, full of "brick dust" sediment and painful in passage. Sluggish kidneys often cause a dull pain in the small of the back, headaches, dizzy spells, tired languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only. They help weak kidneys to rid the blood of uric poison. There is no better recommended remedy.

Read the statement that follows:

Mrs. Rose Lunsford, Rowland, Ky., says: "I had kidney trouble and the kidney action was irregular. My back pained me and my kidneys were sore. I used Doan's Kidney Pills, and they soon made me feel fine. My back and kidneys are now strong. I gladly recommend Doan's Kidney Pills to anyone suffering from Kidney Trouble."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lunsford had. Foster-Milburn Co., Props. Buffalo, N. Y.

IMPORTANT TO ALL WOMEN READERS OF THIS PAPER

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney troubles, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer a great deal with pain in the back, bearing down feelings, headache and loss of ambition. Poor health makes you nervous, irritable and may be despondent; it makes any one so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

A good kidney medicine, possessing real healing and curative value, should be a blessing to thousands of nervous, over-worked women.

Many send for a sample bottle to see what Swamp-Root, the great Kidney, Liver and Bladder Remedy will do for them. Every reader of this paper, who has not already tried it, by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., may receive sample size bottle by Parcel Post. You can purchase the regular fifty-cent and one-dollar size bottles at all drug stores.

Don't Sleep Well No Good Reason Just Can't Sleep

Some people can't sleep. There seems to be no special reason. They have no disease of the nervous system. Digestion is fairly good. Their habits are pretty good. They may smoke a little or drink a little, yet their habits are fair. Still they can't sleep well.

Just a little unbalanced in the nerve centers. That is all. They should have a little "righting up."

A tonic will generally do this. The right sort of a tonic. Peruna is exactly the tonic. Digestion is hurried by Peruna. The stomach is empty and ready to rest for the night. The circulation is equalized. The brain is relieved of all congestions and irritations.

The Peruna acts on every blood vessel in the system. It acts on all of the nerve centers. One begins to sleep and hardly knows why.

Take a teaspoonful to one tablespoonful of Peruna before each meal. Sometimes another tablespoonful at bedtime is necessary, where the sleeplessness is very pronounced.

Just try it, neighbor. You will be glad if you do. One bottle will convince you. Peruna is no sleep medicine. It is not a narcotic. It contains no narcotics. It is nothing of that sort. It is simply a regulative tonic.

Every home should be provided with the last edition of the "I'lls of Life," sent free by the Peruna Co., Columbus, Ohio.

Consumption Takes 350 People Every Day

in the United States and the surprising truth is that most cases are preventable with timely, intelligent treatment.

These appalling facts should warn us that after sickness, colds, overwork or any other drains upon strength, Scott's Emulsion should be promptly and regularly used because tubercular germs thrive only in a weakened system.

The tested and proven value of Scott's Emulsion is recognized by the greatest specialists because its medical nourishment assimilates quickly to build healthy tissue; aids in the development of active, life-sustaining blood corpuscles; strengthens the lungs and builds physical force without reaction. Scott's Emulsion is used in tubercular camps because of its rare body-building, blood-making properties and because it contains no alcohol or habit-forming drug. Be sure to insist on Scott's.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

He greatly resembles his good sire Silent Brook and is out of Clayo by the great Futurity sire Moko. A grand combination of two of the best race horse families of the present day. He being a real race horse himself, having had very little training and most of that by an amateur. It certainly looks like this horse is of Grand Circuit caliber, and if given half a chance he will win his share of the money sure.

BLEUCHER is a perfect type of road horse, good gaited with perfect manners, wears no boots or weights. He has an undefeated record in the Stallion Road Class for 1913, and is conceded by good judges to be the best road horse out this year.

This is a good opportunity for Garrard and adjoining counties to breed into the best families of the trotting blood. Look this horse's breeding over and see how many they have in the list both sires and dams.
